

Have a history teacher explain this if they can

Abraham Lincoln was elected to Congress in 1846.

John F. Kennedy was elected to Congress in 1946.

Abraham Lincoln was elected President in 1860.

John F. Kennedy was elected President in 1960.

Both were particularly concerned with civil rights.

Both Presidents were shot on a Friday.

Both Presidents were shot in the head

Now it gets really weird.

Lincoln's secretary was named Kennedy.

Kennedy's Secretary was named Lincoln

Both were assassinated by Southerners.

Both were succeeded by Southerners named Johnson.

Andrew Johnson, who succeeded Lincoln, was born in 1808.

Lyndon Johnson, who succeeded Kennedy, was born in 1908.

John Wilkes Booth, who assassinated Lincoln, was born in 1839.

Lee Harvey Oswald, who assassinated Kennedy, was born in 1939.

Both assassins were known by their three names.

Both names are composed of fifteen letters.

Now hang on to your seat.

Lincoln was shot at the theatre named 'Ford'.

Kennedy was shot in a car called 'Lincoln ' made by 'Ford'.

Lincoln was shot in a theatre and his assassin ran and hid in a warehouse.

Kennedy was shot from a warehouse and his assassin ran and hid in a theatre.

Booth and Oswald were assassinated before their trials.
And here's the kicker...

A week before Lincoln was shot; he was in Monroe, Maryland

A week before Kennedy was shot, he was with Marilyn Monroe.

WHO FIGURED THIS OUT?

INCREDIBLE

- 1) Fold a NEW \$20 bill in half...

2) Fold again, taking care to fold it exactly as below

3) Fold the other end, exactly as before

4) Now, simply turn it over...

What a coincidence! A simple geometric fold creates a catastrophic premonition printed on all \$20 bills!!!

Firstly The Pentagon on fire...

Then The Twin Towers.

..And now look at this!

***TRIPLE COINCIDENCE ON A SIMPLE \$20
BILL***

Disaster (Pentagon)

Disaster (Twin Towers)

Disaster (Osama)???

It gets even better $9 + 11 = \$20!$
