

HOLY & HORNY

Holy and Horny celebrates women's sensuality and spirituality. Sheila the frustrated Christian woman and her alter ego Eve, the sexually uninhibited poetess, are just two of the 20 characters played by Tonya Joy Bolton. Sheila's amazing journey sees her embark on a set of disastrous dates which lead to life changing consequences.

This groundbreaking one woman play, followed by an after show discussion, is a must see for every generation!

So come watch the play and then have your say!
